Geography Field Trip

‘Last week, Year 12 Geography students went to Slapton Sands and Plymouth for a trip to collect primary data for our Non-Examined Assessment. We had a wonderful weekend with lovely weather. We learnt primary data collection techniques, statistical tests and ways to present the data for our coursework. The staff were all lovely and it made the trip enjoyable for all. The highlight of the trip was ice cream at the beach on Sunday and buying fudge in Plymouth.’

- Alice Armitage, Year 12

At school, the students are now starting the write-up process of their coursework which is submitted in Year 13 and is worth 20% of their A-level.
Dear Parents and Carers

This week, the written GCSE examinations have begun and students have been focused and mature in their preparations. Year 11 are reminded that they should continue to attend all lessons until the examinations in that subject have been sat. Students in other year groups have been respectful and mindful of the need to move quietly around the school site, and everyone adapted to a bell-free school on Monday when the MFL speaking examinations were taking place.

Elsewhere in school, we celebrated Year 13s time at Windsor Girls’ School with a final assembly, cake and refreshments, and some student awards. Students begin their written examinations next week and we wish them well.

Students were in action in an athletics competition at St. Mary’s, Ascot on Thursday. The students performed really well and we are delighted to report that they finished fourth ahead of Charters and Holyport College. Perhaps the highlight was winning the relay event by a huge margin of four seconds. Individual congratulations to Lottie Dewar, Maya Kara and Eloise Harris who all won their individual events. Well done to everyone involved and we look forward to hearing more about the track and field season over the coming weeks.

The Big Questions Club continued this week with students debating the arguments for and against reincarnation, and the Equality and Diversity Group had their first meeting on Wednesday. If anyone if interested in getting involved with this group, they will be meeting on Wednesdays at break 2 in Room 11, it is open to all.

Next week is the final week of Term 5. Examinations and extra-curricular events continue and we will share more information with you next week.

Mr P Griffiths and Mrs E O’Carroll
Co-Headteachers
Year Information

Next week is the final week of term 5. Term ends at normal time on Friday, 24 May.

If anyone was unable to attend this week’s meeting about next year’s ski trip, please contact Miss Castle for more information.

Tickets for ‘Billy the Kid’ are now available to buy from: https://yourboxoffice.co.uk/the-windsor-boys039-school-music-department/552-billy-the-kid

Year 9

Reports are being completed and will be coming home shortly.

There is an all-day rehearsal for students in ‘Billy the Kid’ on Wednesday, 22 May, at Windsor Boys’ School. Students should go directly to Windsor Boys’ School to register.

Year 10

Duke of Edinburgh participants are reminded to complete their online logs with information related to their expeditions and their other sections.

Year 11

Students are reminded to check their ‘Banana Schedules’ for timings of revision sessions.

If there are any queries or changes to Sixth Form options, please contact Mrs Reed in the Sixth Form Office.

Tickets for the prom are now on sale and can be purchased through the online payments system. A link is available via the school website. The event takes place on Wednesday, 3 July.

Year 12

Work Experience takes place the week beginning 1 July. There are still some students who have not returned their forms. It is the expectation that all students will be undertaking some form of work experience.

Universities are now targeting Year 12s with their marketing and open days. Some universities require students and parents to book open days in advance. A useful website is www.opendays.com which lists any events taking place at universities. We ask that students limit school time visits and open days to three. However, you will see that a large proportion of events now take place over a weekend.

Year 13

Begin their ‘Banana Schedule’ next week. Students are asked to check and ask if they do not understand anything.
Last weekend, the second group of Year 10 Bronze DofE students completed their practice expedition. Over the course of the weekend they had to set up camp, cook their own meals on small camping stoves, and plan a route of about 12km around Burnham Beeches which they then undertook on the Sunday; all whilst braving the changing British weather.

The students’ attitude and application was fantastic the whole weekend and I am confident that they will all pass their assessed expedition in July to complete their Bronze Duke of Edinburgh Award.

We will be launching the DofE programme to the Year 9 students in the coming weeks but in the meantime, if anyone from Year 9 has any questions, please ask me or Miss Castle.

-Mr Andrews
Bronze DofE Expedition

DofE Special Mentions

Congratulations to Anjali Dhunna (former student) on being awarded her Gold DofE Award at Buckingham Palace this week.

Congratulations to Year 10 students Annabel Hodgkinson and Scarlett O’Shaughnessy who have raised £1,000 for The Autism Group as part of their Bronze DofE challenge. The students have raised both money and awareness at school through cake and sweet sales and an assembly.

Schoolgirls’ £1k boost for charity

Congratulations to Anjali Dhunna (former student) on being awarded her Gold DofE Award at Buckingham Palace this week.
On Thursday, a group of students travelled to St Mary’s Ascot to compete in an athletics competition against a number of local schools. There were strong performances in both track and field, notably, individual event wins for Lottie Dewar, Maya Kara and Eloise Harris; and victory in the relay by four seconds. We are delighted to report that Windsor Girls’ finished in fourth place, ahead of both Charters and Holyport College.

Year 11 Leavers

The PE department would love any old kit that you wish to donate - especially skorts or jogging bottoms. These can be handed in to the PE office.
Year 13 Leavers

Medic Insight Day - Summer Special

Suitable for students aged 14+, the Medic Insight Day is a one-day course designed to give ambitious pre-medical students a taste of life as a Doctor.

Our new and improved course teaches students about what it is like to be a Doctor within an NHS hospital in a clear, insightful way. From taking a patient history, to suturing an injury, students will adopt the role of a Doctor as they engage and communicate with live-simulated patients.

All of our Medic Insight Days are completed in training centres within our partner NHS hospitals in London and will be taught by our experienced, world-class Doctors.

**Learning Outcomes:**
- To gain a genuine understanding into the role of a Doctor
- To develop teamwork, leadership and communication skills
- To develop basic clinical skills taught to students at Medical School
- To gain a deeper understanding into the process of becoming a Doctor

Gain experiences that can be used to boost university applications

**Special Offer:**
We are running an exclusive summer rate of only £99 per student on the following dates:
- Wednesday 17 July
- Wednesday 31 July

To secure a place, apply through the page below and complete the application form using the code SUMMER99MID

InvestIN Partners With The Financial Times...

We are delighted to announce our brand-new partnership with the Financial Times, one of the world's most reputable news organisations.

A former InvestIN student is now the FT's Schools Lead, and has announced the partnership in his latest article.

Publications such as the FT provide students with an opportunity to gain a real-life understanding of global commerce, laying the foundation for a successful career ahead. Given InvestIN's purpose of bridging the gap between school and industry, we are thrilled to partner with them.

More details of our collaboration will follow in future emails, but we can now confirm that students on this summer's Young Investment Banker Summer Internship (New York) will be visiting the FT's NYC offices and meeting key personnel there.

Dear parents,

Italian Now Language School offers Italian language and culture courses for all ages and all levels in Berkshire area. Italian Now tutors are native speakers and are fully qualified, with a wide experience and a passion for teaching.

We want to inform you, that we run Primary and Secondary and GCSE/A level preparation classes at St Edward Middle School, Windsor and at Newlands Girls’ school in Maidenhead. Italian classes enable children to learn and progress in all 4 skills (speaking, listening, reading and writing).

Available classes on Friday afternoon (Windsor) and Monday afternoon (Maidenhead):

- Pre-school
- Primary for Beginners
- Primary for Intermediate and Advanced
- Secondary and Italian GCSE preparation
- A level preparation

The enrolment for school year 2019-2020 is open from 15th May to 30th June 2019

The classes can run with a minimum number of students.

Express your interest, emailing me at stefania@italiannow.co.uk, giving these details:

NAME OF THE CHILD, YEAR CLASS, SCHOOL’s name
LEVEL: beginner, intermediate or fluent

Kind regards

Stefania Nini
Welcome to WilsonJones!

WilsonJones Catering Ltd is delighted and proud to have been awarded the catering services contract at Windsor Girls’ School.

We are an independent contract catering company who specialise in Education Catering and we have a real passion and drive to deliver the very best meal service to our customers using the very best ingredients.

90% of all the ingredients we use are fresh to ensure every student has the opportunity to enjoy a significant proportion of their daily nutritional intake requirements from their daily school meals.

We offer the students a two course hot lunch which consists of a main meal and dessert, supplemented with a selection of freshly prepared salads, a large selection of ‘Grab and Go’ items, homemade tray bakes and bread as well as fresh fruit pots and a varied selection of drinks. Additionally, our menus are changed seasonally to reflect the use of fresh seasonal produce.

Our Group Development Chefs and Operations Managers are responsible for the continued development of the menus and food innovations at Windsor Girls’ School and we are always happy to meet with pupils and parents to gain their feedback and suggestions.
