

Vision Statement

Our ethos is underpinned by our school motto: **Aspire - Advance - Achieve**. We expect all our students to **aspire** and realise their potential, to **advance** and make very good progress and to **achieve** beyond their expectations in academic study, the arts and extra-curricular activities.

Our students develop into motivated, successful, confident, creative, ambitious, enterprising, well-rounded young women who possess a strong sense of self-worth and are prepared for their future. We enhance students' leadership, organisation, resilience, initiative and communication skills and encourage an environment which promotes learning.

Windsor Girls' School is a happy, positive, calm and ordered environment. We celebrate student achievement and progress, respecting the individual and encouraging collaborative work. Kindness, tolerance and respect are actively promoted and we expect all students to understand and value diversity and difference both within and beyond their school community.

It is our privilege to witness young women realising their potential and leaving school more articulate, confident and equipped with the skillset they require to lead influential and positive lives in society.
