

26 February 2021

Dear Parents and Carers

We hope this finds you well and that the first week of Term 4 has started positively. It has been a week of announcements and information however as a school we are feeling positive and excited about the return of students.

We would like to share some detail on how this will work for our school community. When developing these plans we have had safety at the heart of every decision. Our remote learning provision has been excellent. This coupled with our core driver of safety have led us to our plan which includes:

- All students being tested twice before returning to Face to Face lessons
- The return of students to be phased and not excessive in numbers
- The continuation of learning through excellent remote provision

The following grid outlines the first two weeks of school reopening with:

- Monday 8 - Friday 12 March: on site provision being solely for testing with remote learning continuing for all Year Groups
- Monday 15- Friday 19 March: staggered start for Year Groups returning for face to face learning with all Year Groups back in fully by Tuesday 16 March.

We will be sending further information out on exact timings early next week as well as additional general information to help students settle back into school safely. This will include expectations on uniform, attendance and face masks.

Thank you for your continued support with this. We are excited to welcome our students on site and can reassure you that we are doing everything we can to make sure this is safe, timely and appropriate.

Week Beginning 8/03/21 (Week B)

Date	Year 13	Year 12	Year 11	Year 10	Year 9
Monday 8 March	AM: LFT 1 No Live Lessons all day	PM: LFT1 No Live Lessons all day	Remote learning	Remote learning	Remote learning
Tuesday 9 March	Remote learning	Remote learning	AM: LFT1	Remote learning	Remote learning
